

LAUFTON ASCENÇÃO

DEMOCRAT
FOR STATE REPRESENTATIVE

I'M RUNNING FOR STATE REPRESENTATIVE BECAUSE OUR COMMUNITY NEEDS SOMEONE WHO WILL STAND UP FOR ALL OF US.

The State House is broken. Instead of listening to the people they represent, politicians are putting lobbyists and insiders ahead of the needs of their community. **I refuse to accept that.**

I'M RUNNING BECAUSE I BELIEVE OUR COMMUNITY DESERVES BETTER.

I believe we should be the first and only priority of our elected officials. I was born here in the East Bay and I've helped lead successful campaigns to raise wages, invest in clean energy, pass common sense gun reform, and to hold elected officials accountable. With my experience and my values, **I will work to bring your voice to the State House every day and I'll fight hard to make sure that every family has a fair shot.**

BRANDT HECKERT

FOR WARREN TOWN COUNCIL
STATE ST

I started my own company, Pastiche Fine Desserts, 35 years ago - it has grown and thrived in an industry where most do not. I've faced many challenges and persevered through some significant economic downturns by diligent planning, sound financial management, and listening to my customers. This experience will help guide me when making critical decisions for the future of all Warren residents.

MY GOALS

Create a welcoming business environment

Make the business development process predictable by providing clear guidelines and enforcing them consistently.

Ensure an appealing town environment

Businesses move to towns that are inviting and attract customers. We need a progressive broad-based approach for successful economic development and a stable tax base, to ensure prosperity for all residents, in all neighborhoods.

Build on Warren's assets and encourage our sense of pride

Develop a comprehensive economic strategy capitalizing on Warren's diversity, promoting our history, culture, and our natural resources and attractions. Invest in our growing image as an arts community and promote it as an economic driver. Take pride in our town, and inspire confidence in our most important asset, the people of Warren.

KEITH PHILLIS

FOR WARREN TOWN COUNCIL
FATIMA ST

I have always enjoyed the culture of the East Bay. Growing up in Michigan, I would visit my uncle, and explore stores and events in Bristol and Warren. When I was searching for law schools, I found Roger Williams University School of Law and knew this was where I belonged. When I moved to Warren, I knew this would be the town where my wife, Lisa, and I started our family.

I now work as General Counsel at Zero Point Development, Inc., where I am responsible for negotiating, drafting and managing legal aspects of land purchases and development, utility contracts, tax finance, corporate structuring and municipal approvals.

After serving several years on the Warren Economic Development Board and the Warren Planning Board, I want to do more for Warren. Having gained valuable insight into the municipal finance practices of municipalities throughout New England, I have a lot to offer the Town Council. As a Town Councilor, I lend a different perspective to each decision, viewing each matter through the lens of a trained legal eye and weighing risks of every decision.

I am running because I want to see Warren succeed, and I know that my experience and skills will help Warren continue to grow and flourish.
